SECTION 6: All resident, qualified voters of the District shall be permitted to vote at the Election, and on Election Day, such voters shall vote at the designated polling place. The Election shall be held and conducted in accordance with the provisions of the Code, except as modified by the provisions of the Code, and as may be required by law. To the extent required by law, all election materials and proceedings relating to the Election shall be printed in both English and Spanish.

SECTION 7: A substantial copy of this Order shall serve as proper notice of the Election. This notice, including a Spanish translation thereof, shall be published at least one time in a newspaper of general circulation in the District, with such publication occurring not more than 30 days and not less than 10 days before Election Day. Additionally, this notice and the voter information incorporated herein for all purposes as Exhibit C, including a Spanish translation thereof, shall be posted (a) not less than 21 days prior to Election Day (i) on the bulletin board used for posting notices of Board meetings, (ii) in three public places within the District’s boundaries, (iii) in a prominent location on the District’s internet website, and (b) in a prominent location at each polling place on Election Day and during early voting. A sample ballot shall be posted on the District’s internet website not less than 21 days prior to Election Day.

SECTION 8: As required by and in accordance with Section 3.009(b)(5) and (7) through (9) of the Code, the bonds that are the subject of the Election may be issued to mature over a specified number of years not to exceed [40] years; the District, as of its fiscal year beginning July 1, 2022, had outstanding an aggregate principal amount of debt equal to \$31,935,000 (this amount represents I&S debt only); the aggregate amount of the interest owed on such District debt obligations, through respective maturity, totaled \$16,273,802; and the District levied an ad valorem debt service tax rate for its outstanding debt obligations of \$0.05120 per \$100 of taxable assessed valuation. The District estimates an ad valorem debt service tax rate of \$0.06127 per \$100 of taxable assessed valuation if the bonds that are subject of the Election are approved and are issued (taking into account the outstanding District bonds and bonds that are the subject of this Election, but not future bond authorizations of the District). This is only an estimate provided for Texas statutory compliance and does not serve as a limitation on any District ad valorem debt service tax rate. Based on the bond market conditions on the date of the Board’s adoption of this Order, the maximum interest rate for any series of bonds authorized at the Election is 5.500%. The bonds that are the subject of this Election shall mature serially or otherwise over a specified number of years (but not more than 40 years from their date), as prescribed by applicable Texas law, though the District estimates that, based on current bond market conditions, such bonds will amortize over a 25 year period from their respective date of issue. The foregoing estimated maximum net effective interest rate and amortization period are only estimates, provided for Texas statutory compliance; they do not serve as a cap on the per annum interest rate at which any series of bonds authorized at the Election may be sold, or the amortization period for bonds that are the subject of this Election.

SECTION 9: The Board authorizes the President, Board of Trustees, the Superintendent of Schools, or the respective designee of either of such parties, to negotiate and enter into one or more joint election agreements, election services contracts, and/or similar contracts or agreements with the County, acting by and through the Administrator, and any Participants if desired or if required to comply with applicable law, as permitted and in accordance with the provisions of the Texas Election Code, as amended. In addition, the Board authorizes the President, Board of Trustees, the Superintendent of Schools, or the respective designee of either of such parties to make such technical modifications to this Order that are necessary for compliance with applicable Texas or federal law or to carry out the intent of the Board, as evidenced herein. By incorporating all essential terms necessary for a joint election agreement, this Order is intended to satisfy Section 271.002(d) of the Texas Election Code, as amended, without further action of the Board of Trustees.

SECTION 10: The recitals contained in the preamble hereof are hereby found to be true, and such recitals are hereby made a part of this Order for all purposes and are adopted as a part of the judgment and findings of the Board.

SECTION 11: All orders and resolutions, or parts thereof, which are in conflict or inconsistent with any provision of this Order are hereby repealed to the extent of such conflict, and the provisions of this Order shall be and remain controlling as to the matters ordered herein.

SECTION 12: This Order shall be construed and enforced in accordance with the laws of the State of Texas and the United States of America.

SECTION 13: It is officially found, determined, and declared that the meeting at which this Order is adopted was open to the public and public notice of the time, place, and subject matter of the public business to be considered at such meeting, including this Order, was given, all as required by Chapter 551, as amended, Texas Government Code.

SECTION 14: If any provision of this Order or the application thereof to any person or circumstance shall be held to be invalid, the remainder of this Order and the application of such provision to other persons and circumstances shall nevertheless be valid, and the Board hereby declares that this Order would have been enacted without such invalid provision.

SECTION 15: This Order shall be in force and effect from and after its final passage, and it is so ordered.
