CAMERON COUNTY EMPLOYEE TEST POSITIVE FOR COVID-19

Today, July 23, 2021, the Office of Cameron County Judge Eddie Treviño, Jr., has been notified that one (1) employee from the Auditor's Office has tested positive for COVID-19. Due to privacy laws, Cameron County will not release specific employee information.

The Public Health Department is working closely with elected officials and department heads to continue taking the appropriate steps to keep their employees and the public safe. Constituents are asked to continue to conduct business online by going through the County's website at <https://www.cameroncounty.us/>.

"Over the last several days, we have seen COVID-19 cases on the rise in our County and are in part attributed to the 4th of July congregations. Data informs those individuals testing positive are unvaccinated. Remember, vaccines help protect against this ongoing threat. Together we can reach herd immunity. Visit www.cameroncounty.us to view ongoing vaccination clinic plans, or call our hotline at (956) 247-3650 should you have any questions or concerns. To all County employees, please continue to follow all health and sanitation protocols when out in public to prevent the spread of COVID-19 both at home and at work," stated Cameron County Judge Eddie Treviño, Jr.

The Cameron County Judge's Office will continue to provide updates as needed.
