Honorable County Judge and Commissioners:

The Cameron County Park and Recreation Department maintains and operates approximately sixteen facilities that encompass approximately 812 acres throughout the County. The Cameron County Park and Recreation Department's mission is to provide safe, quality outdoor recreation opportunities to the citizens and visitors of Cameron County at an affordable price. The Cameron County Park and Recreation Department also seeks to develop and protect Cameron County Coastal resources and natural habitats.

Isla Blanca, Andy Bowie and Edwin K. Atwood County Parks provide beach access for day-use, as well as overnight camping, restroom and shower facilities, picnic pavilions, public parking, and food and beach rental concession areas. Other amenities such as fishing, surfing, bird watching and strolling along the edge of the shoreline are some of the nature activities enjoyed at these parks. Isla Blanca Park located on the south end of South Padre Island also provides retail stores, restaurants, beach equipment rentals, a full service marina, access to a water park and a boat launching facility. The Park accommodates over six hundred full-service recreational transient vehicle rental sites, and eight cabanas. The cabanas are equipped with bunk beds (sleep six persons comfortably), restrooms, showers and small kitchenettes. Andy Bowie Park also known as County Beach Access No. 2 is located just north of the City of South Padre Island city limits. This park also offers a flagship Hotel on the beach of the Gulf of Mexico. Edwin K. Atwood County Parks also known as County Beach Access No. 5 is located approximately five miles north of the South Padre Island city limits. This beautiful coastal park provides five pavilions, dune walkovers, rinse stations, restrooms and showers, an environmental friendly permeable pavement parking lot, food truck parking, two toll booth stations and other associated site improvements.

Cameron County also maintains and operates the following three public beach access areas on South Padre Island:

County Beach Access No. 3 is located 0.3 miles north of Andy Bowie park Beach Access 2. This is not a vehicular accessible point, but allows public accessibility to the beach. This access area provides 143 public parking spaces, a dune walkover that allows you to access the beach and provides seasonal lifeguards/beach patrol.

County Beach Access No. 4 is located 1 mile north of Andy Bowie Park. This is not a vehicular accessible point, but allows public accessibility to the beach. This access area provides 55 public gulf side parking spaces and 66 spaces on the west side of Park Road 100. This area provides a dune walkover that allows you to access the beach and provides seasonal lifeguards/beach patrol.

County Beach No. 6 is located approximately 4.6 miles north of Andy Bowie Park. This area allows for vehicular traffic to access the beach. Many visitors use this area for day camping, surf fishing and nature activities.

Adolph Thomae, Jr. County Park is Located on the mainland and situated within the U.S. Fish & Wildlife Service-Laguna Atascosa Wildlife Refuge. The park is adjacent to the bank of the Arroyo Colorado and offers a number of outdoor recreational opportunities such as; Lighted fishing piers, picnic areas, playground, a boat ramp with fish cleaning stations and courtesy docks, nature trail, wildlife observation tower, tent camping area, and 35 full-hookup RV sites. This area provides a newly constructed boat ramp which include two new additional boat ramps for boaters to launch and load their boats, courtesy docks, fish cleaning stations, shoreline restoration and approximately 50 additional truck/trailer parking spaces to alleviate some of the overcrowding experienced on busy weekends. The parking lot is constructed using a pervious paving system that is environmentally friendly.

The Cameron County Parks and Recreation Department also maintains and operates a combined of twelve recreational and community park facilities that are nestled throughout the County within small underserved communities. The park facilities consist of the following:

La Esperanza Community Park is located in the colonia of Cameron Park. The amenities at the park include a walking trail, picnic pavilion, lighted soccer field, basketball court pavilion and an outdoor basketball court. Recently, with funding assistance in the amount of \$500,000 from the Valley Baptist Legacy Foundation an All-Inclusive Playground was constructed that provide maximum ADA accessibility and is universally designed to create a myriad of play opportunities for special needs children and children with non-disabilities. This playground will be the first in both the County Park System and in Brownsville

Santa Maria Community Park is located in the community of Santa Maria on Highway 281, the park offers a swimming pool, picnic shelters, playground area, multi-use athletic field and a community center that can be rented for assemblies. In addition to the amenities, a historic building, built in 1884 and known as 'The Our Lady of Visitation Church', is situated on the site.

Santa Rosa Community Park is located in the city of Santa Rosa, the amenities at the park include two lighted baseball fields, playground facility, four picnic areas, swimming pool and a Boys and Girls Club unit operated and maintained by the City of Santa Rosa.

Esparza-Domanski Community Park is located in the colonia of El Ranchito on the intersection of FM 1577 and US Highway 281. The amenities at the park include a basketball court, playground, picnic pavilion and a swimming pool.

El Ranchito Recreational Park is located in the community of El Ranchito on 24103 US Hwy 28, the amenities at the park include a baseball field, one soccer field, a basketball court, and age appropriate playgrounds, walking trails, two picnic shelters and a concession/restroom facility.

Bejarano-McFarland Memorial Park is located in the colonia of Laguna Heights, within the city limits of Port Isabel. The park is approximately 2.0 acres in size and borders the Laguna Madre bay. The amenities offered at the park consist of a bird Watch Overlook with interpretative signs that extend 110 feet into the Laguna Madre, outdoor basketball court, playground, multi-purpose trail, a large picnic pavilion with BBQ pits and a butterfly garden.

La Paloma Recreational Park is located south of San Benito, Texas, in the rural community of La Paloma. The park offers a number of recreational opportunities for the public to enjoy. Amenities include a walking trail, picnic pavilion, lighted soccer field, lighted baseball field, playground, basketball court, restrooms, concession stand and a splash pad.

Cameron County Park System  
March 29, 2021

Laureles Recreational Park is located just north of Los Fresnos, Texas, in the rural community of Laureles. The Park was completed in 2010 and serves as a major recreational attraction for many of the surrounding communities. Organized little league games for baseball and soccer are commonly played during the respective seasons. The park offers three baseball fields; two of which are lighted, restrooms, a concession stand, two soccer fields, a walking trail, splash pad, playground, picnic pavilion and a butterfly garden.

Pedro "Pete" Benavides Recreational Park is located at the corner of Browne Road and California, in the southmost area of Brownsville, Texas. The Park is constructed on 64 acres of land adjacent to Resaca de la Guerra. Amenities at the park include; a lighted adult softball field, lighted little league baseball field, two lighted full sized soccer fields, lighted basketball court, lighted volleyball court, playground and splash pad area, four small picnic pavilions, one large picnic pavilion, BBQ areas, a one mile Resaca frontage nature trail with two nature observation stations, and approximately 1 mile walking trail with 5 integrated workout stations. The walking trail at Pedro "Pete" Benavides Park is constructed with a new permeable system called TRUEGRID. TRUEGRID is a permeable paving system using green technology to create long term sustainable paving. The product aides in storm water management, erosion control and is even capable of removing pollutants from runoff because of its high infiltration rates. Many of the characteristics of TRUEGRID are highly beneficial for the environment by helping create cleaner storm water runoff, especially for hardscape which create Non-Point Source Pollution areas such as parking lot, streets, gutters, sidewalks, etc. The multi-purpose walking trail, including extension, measures 3,704 LF, or approximately one tenths of a mile, and receives a substantial amount of traffic on a daily basis. The trail is completely ADA accessible and is extremely user friendly. Runners, Joggers and walkers alike had nothing but positive things to say about the new surface. This project was funded through bonds and Parks Capital Improvement Funds.

Jaime J. Zapata Memorial Boat Ramp is located adjacent to the Brownsville Ship Channel, on Highway 48 between Port Isabel and the Port of Brownsville, the Jaime J. Zapata Memorial Boat Ramp offers more than just a public boat launching facility. Other amenities include; a lighted fishing pier, two picnic pavilions and a kayak launch ramp. This unique site offers fisherman, boaters, bird watchers, nature enthusiast and kayaker's quick access to San Martin Lake and the Brownsville Ship Channel.

The Parks Department also maintains and operates two social service centers. The Bob Clark Social Service Center and El Centro Cultural.

The Bob Clark Social Service Center is located in the hub of 21 colonias, at the corner of Browne Road and California Road, and serves the surrounding community of the southmost area. The Center houses a Head Start Program and a WIC Clinic. It also offers a wide variety of social services and educational programs to the community such as the GED, ESL, home economics, Zumba, sewing, family counseling, assistance with CHIP, Medicaid, Medicare, and employment placement assistance. Recently, Cameron County entered into a partnership with University of Texas Health-Rio Grande Valley on developing an Area Health Care Center at the Bob Clark Social Service Center which included examination rooms, triage rooms, conference room and lab. Due to COVID-19 and the Emergency Orders in place, the majority of these programs are temporarily not operating until further notice.

El Centro Cultural is located in the colonia of Cameron Park. The Center is equipped with a technology center and offers a variety of social service and educational programs such as a GED, ESL, home economics, Zumba, baking classes, family counseling, assistance with Chip, Medicaid, Medicare, and employment placement assistance. Due to COVID-19 and the Emergency Orders in place, the majority of these programs are temporarily not operating until further notice.

## INDEPENDENT AUDITORS' REPORT

To the Honorable County Judge  
and Commissioners' Court  
Cameron County, Texas

### **Report on the Financial Statements**

We have audited the accompanying financial statements of the business-type activities of the Cameron County, Texas Park System, an enterprise fund of Cameron County, as of and for the year ended September 30, 2020, and the related notes to the financial statements, as listed in the table of contents.

### ***Management's Responsibility for the Financial Statements***

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### ***Auditor's Responsibility***

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### ***Opinion***

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the business-type activities of the Cameron County, Texas Park System, as of September 30, 2020, and the respective changes in net position and cash flows thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

### **Other Matters**

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis information on pages x - xiv be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Government Accounting Standards Board, who considers it to be an essential part of the financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context.

### ***Other Information***

Our audit was conducted for the purpose of forming an opinion on the financial statements that collectively comprise the Cameron County, Texas Park System's basic financial statements. The Letter of Transmittal and Statistical Information is presented for purposes of additional analysis and is not a required part of the basic financial statements.

The Letter of Transmittal and Statistical Information has not been subjected to the auditing procedures applied in the audit of the basic financial statements and, accordingly we do not express an opinion or provide any assurance on it.

### **Emphasis of Matter**

As discussed in Note 1, the financial statements present only the Cameron County, Texas Park System and do not purport to, and do not present fairly the financial position of Cameron County, Texas, as of September 30, 2020, the changes in its financial position, or, where applicable, its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

### **Other Reporting Required by *Government Auditing Standards***

In accordance with *Government Auditing Standards*, we have also issued our report dated March 29, 2021, on our consideration of the Cameron County Park System's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Cameron County Park System's internal control over financial reporting and compliance.

CAMERON COUNTY PARK SYSTEM  
MANAGEMENT'S DISCUSSION AND ANALYSIS  
September 30, 2020

This discussion and analysis of the Cameron County Park System (Park) financial performance provides an overview of the Park's financial activities for the fiscal year ended September 30, 2020. The Management's Discussion and Analysis (MD&A) is designed to focus on the current year's activities and resulting changes. The MD&A should be considered in conjunction with the letter of transmittal, the accompanying basic financial statements and the accompanying notes to those financial statements.

FINANCIAL HIGHLIGHTS

The Park's total assets exceeded its total liabilities at September 30, 2020 by \$17,835,134.

Total assets decreased from Fiscal Year 2019 to Fiscal Year 2020 by \$1,843,270.

Total liabilities decreased from Fiscal Year 2019 to Fiscal Year 2020 by \$2,026,706.

Total net position increased by \$183,436.

OVERVIEW OF THE FINANCIAL STATEMENTS

The discussion and analysis is intended to serve as an introduction to the Park's basic financial statement. The Park's basic financial statements are comprised of: 1) Statement of Net Position, 2) Statement of Revenues, Expenses, and Changes in Net Position, 3) Statement of Cash Flows, and 4) Notes to the Financial Statements. This report also contains other supplementary information in addition to the basic financial statements.

Park's Basic Financial Statements

The Basic Financial Statements are designed to provide readers with a broad overview of the Park's finances in a manner similar to private sector business. They present the financial picture of the Park from an economic resources measurement focus using the accrual basis of accounting. These statements include all assets of the Park as well as all liabilities.

The Statement of Net Position presents information on all Park's assets and liabilities, with the difference between the two reported as *net position*. Increases or decreases in net position, contrasted with budgetary decisions, should serve as a useful indicator of whether the financial position of the Park is improving or deteriorating.

The Statement of Revenues, Expenses and Changes in Net Position presents information showing how net position changed during the most recent fiscal year using full accrual basis of accounting. All changes in net position are reported as soon as the underlying event giving rise to the change occurs, *regardless of the timing of related cash flows*. Thus, revenues and expenses are reported in this statement for some items that will result in cash flows in future fiscal periods (e.g., earned but unused vacation leave).

The Statement of Cash Flows presents information on all Park's sources of cash and cash equivalents and the uses of cash and cash equivalents. Specific information about *Operating* cash flows, *Investing* cash flows, and *Financing* cash flows are presented along with information about material non-cash events.

The Notes to the Basic Financial Statements present additional information that is essential to a full understanding of the data provided in the Basic Financial Statements.

## PARK'S FINANCIAL ANALYSIS

Net position serves as a useful indicator of the Park's financial position. As of September 30, 2020, the Park's assets exceeded liabilities by \$17,835,134

The Parks have a net position of \$8,446,466 invested in capital assets (e.g. land, building, improvements, construction in progress, automotive machinery, and other structures) less any outstanding debt used to acquire those assets.

A portion of the Park's net position, \$7,308,900, represents resources that are subject to external restrictions on how they may be used. This restricted net position includes net position for debt service and amounts restricted for construction.

The Park has \$2,079,768 of unrestricted net position at the end of this year.

The Park's net position for fiscal years ended September 30, 2020, and 2019, is summarized as follows:

### Condensed Schedule of Net Position September 30

GENERAL FUND BUDGETARY HIGHLIGHTS

The County Auditor is required by policy to present the Commissioners' Court with a balanced budget that contains a no- increase assumption as a starting point for budget discussions. The budget is prepared in accordance with accounting principles generally accepted in the United States of America, and with financial policies by the County Auditor and approved by the Commissioners' Court following a public hearing. Appropriated budgets are approved and employed as a management control device during the year. The Park maintains strict budgetary controls and sets its appropriations at a line item level for each department. Appropriation transfers are allowable between line items or departments only with the approval of the Commissioners' Court. Reserves are established as a budget line item and may be transferred to other budget line items with approval of the Commissioners' Court.

The FY 2020 budget was adopted on September 15, 2019 with total operating expenditures of \$9,629,112, a 6% increase from Fiscal Year 2019 budgeted operating expenses.

#### DEBT ADMINISTRATION

During the period in which the bonds are outstanding, the Park System Bond Order requires the County to create and maintain a Debt Service Reserve Fund to be funded (i) out of proceeds of Park System obligations which are secured by a parity pledge on the net revenues, as defined in the Bond Order of the Park System, (ii) from periodic deposits of net revenues, or (iii) from other funds of the County which are lawfully available for such purpose. The County is obligated by the Bond Order to maintain an amount on deposit in the Debt Service Fund equal to the average annual debt service for all Park System obligations, as defined in the Bond Order.

At September 30, 2020, the Park has certificates of obligation payable of \$24,718,102 of which \$1,443,022 is payable in fiscal year 2021.

#### ECONOMIC FACTORS AND NEXT YEAR'S BUDGET RATES

The annual budget is developed to provide efficient, effective, and economic uses of the Park's resources as well as a means to accomplish the highest priority objectives. Through the budget, the Cameron County Commissioners set the direction of the Parks, allocates its resources, and establishes its priorities.

In developing the Park's budget for FY 2021, the Commissioners' Court and management considered the following factors:

- Recreational vehicle site rental rates.
- Capital park improvements
- Additional lease income.
- Debt service commitments and capital lease obligations.

#### REQUEST FOR INFORMATION

The financial report is designed to provide our citizens, taxpayers and investors with a general overview of the Park's finances and to show the Park's accountability for the money it receives. If you have questions about this report or need any additional financial information, contact the appropriate financial officer at 1100 E. Monroe, Brownsville, Texas 78502.

CAMERON COUNTY, TEXAS  
**PARK SYSTEM**  
NOTES TO THE FINANCIAL STATEMENTS  
SEPTEMBER 30, 2020

**Note 1 – SUMMARY OF ACCOUNTING POLICIES**

A summary of the significant accounting policies consistently applied in the preparation of the accompanying financial statements follows.

**A. Operations**

Cameron County, Texas, (County) through its Park System, owns and operates 1) Isla Blanca Park located in the southernmost tip of South Padre Island, 2) Andy Bowie Park on the north end of South Padre Island, 3) Public Beach access road further north of Andy Bowie Park, 4) E. K. Atwood Park further north of Andy Bowie Park and Public Beaches on South Padre Island, 5) Adolph Thomae Park located in Arroyo City on the Arroyo Colorado, and eleven community parks located throughout Cameron County. The island parks provide transient and long-term rentals of trailer spaces and long-term leases of boat slips at the County's marina facilities. Additionally, the County has several concession leases with various food and entertainment establishments. Such concession leases generally require payment of a monthly lease amount and/or a fixed percentage of gross revenues.

**B. Basis of Accounting**

The financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America, as prescribed by the Government Accounting Standards Board (GASB). For the year ended September 30, 2003, the Parks System of Cameron County, Texas adopted GASB Statement No. 34, Basic Financial Statements and Management's Discussion and Analysis – for State and Local Governments (GASB 34) as amended by GASB Statement No. 37 and applied those standards on a retroactive basis. GASB Statement No. 34 establishes standards for external financial reporting for state and local governments and requires that resources be classified for accounting and reporting purposes into the following four net position categories:

- Net investment in capital assets: Capital assets, net of accumulated depreciation and outstanding principal balances of debt attributable to the acquisition, construction or improvement of those assets.
- Restricted:
  - Nonexpendable – Net position subject to externally imposed stipulations that the Park System maintains them permanently. For the fiscal year end 2020 and the Park System does not have nonexpendable net position.
  - Expendable – Net position whose use by the Park System is subject to externally imposed stipulations that can be fulfilled by actions of the Park System pursuant to those stipulations or that expire by the passage of time.
- Unrestricted: Net position that is not subject to externally imposed stipulations.

CAMERON COUNTY, TEXAS  
**PARK SYSTEM**  
NOTES TO THE FINANCIAL STATEMENTS  
SEPTEMBER 30, 2020

**Note 1 – SUMMARY OF ACCOUNTING POLICIES (continued)**

**B. Basis of Accounting (continued)**

The accompanying financial statements have been prepared on the accrual basis. The Park System reports as a Business Type Activity, as defined by GASB Statement No. 34. Business Type Activities are those that are financed in whole or in part by fees charged to external parties for goods and services.

The provisions of GASB Statement No. 75 have been applied as of fiscal year ended September 30, 2020. GASB 75 created accounting standards for Other Post Employment Benefits (OPEB) provided by governmental entities separately from a pension plan. This Statement establishes standards for measurement, recognition and display of OPEB expenditures and related liabilities/assets disclosure.

**C. Capital Assets and Depreciation**

Purchased assets are recorded at historical cost. Depreciation is provided over the estimated useful lives on a straight-line basis over the following estimated useful lives:

<u>ASSETS</u>	<u>YEARS</u>
Buildings	40
Furniture and Fixtures	5
General Equipment	5
Vehicles	5
Computer hardware	3
Infrastructure	30

Depreciation expense for all activities totaled \$1,291,856.

**D. Retirement Plan**

All employees who work in excess of 900 hours per year are members of the Texas County and District Retirement System under which the employees contribute 7% and the Park System contributes 8.76% of the qualified employees' earnings. Retirement plan expense is funded as accrued, and includes amortization of prior service cost over a 20-year period. Information concerning the actuarially computed value of vested benefits is not available. Retirement plan expense for the year ended September 30, 2020 totaled \$360,440.

**E. Use of Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

**F. Cash and Cash Equivalents**

For purposes of the statement of cash flows, the Park System considers cash on hand and deposits at banks as well as all highly liquid investments purchased with a maturity of three (3) months or less or with no stated maturity to be cash equivalents.

CAMERON COUNTY, TEXAS  
**PARK SYSTEM**  
NOTES TO THE FINANCIAL STATEMENTS  
SEPTEMBER 30, 2020

**Note 1 – SUMMARY OF ACCOUNTING POLICIES (continued)**

G. Net Position

Net Position represents the residual interest in the Park System's assets after liabilities are deducted and consist of three sections: Invested in capital assets, net of related debt, Restricted and Unrestricted. Net investment in capital assets includes capital assets, restricted and unrestricted, net of accumulated depreciation, reduced by outstanding debt. Net position is reported as restricted when constraints are imposed by third parties or enabling legislation. The Park System's restricted assets are expendable. All other net position is unrestricted.

H. Comparative Data/Reclassifications

Comparative total data for the prior year have been presented in the accompanying financial statements in order to provide an understanding of the changes in the system's financial position and operations. Also, certain amounts presented in the prior year data have been reclassified in order to be consistent with the current year's presentation.

I. Subsequent Events

Management has evaluated subsequent events through March 20, 2021 the date the financial statements were available to be issued.

**Note 2 - BOND INDENTURE REQUIREMENTS**

During the period in which the bonds are outstanding, the Park System Bond Order requires the County to create and maintain a Debt Service Reserve Fund to be funded (i) out of proceeds of Park System obligations which are secured by a parity pledge on the net revenues, as defined in the Bond Order of the Park System, (ii) from periodic deposits of net revenues, or (iii) from other funds of the County which are lawfully available for such purpose. The County is obligated by the Bond Order to maintain an amount on deposit in the Debt Service Fund equal to the average annual debt service for all Park System obligations, as defined in the Bond Order.

The Bond Order also obligates the County to fund an Operating Reserve Fund in the amount of \$1,635,000. The Operating Reserve will be used to pay items of extraordinary maintenance or extraordinary repairs and replacements of the Park System and minor capital improvements to the Park System. Amounts on deposit in the Operating Reserve may be used to pay debt service on Park Obligations in the event that amounts on deposit in the respective interest and sinking fund and the Debt Service Reserve are insufficient for such purpose.

Monies held as restricted assets in the fund established by the revenue bond indenture are invested in securities guaranteed by the U. S. Government. At September 30, 2020, the County's depository had pledged sufficient U.S. Government obligations to meet this requirement.

**Note 3 – LONG-TERM DEBT**

**A. Certificates of Obligation**

The County issued Certificates of Obligation, Series 2007 in the amount of \$8,000,000 on February 15, 2007. The purpose of the Certificates of Obligation are to provide for the payment of contractual obligations to be incurred in connection with the design, planning, acquisition, construction, equipping, expansion, and/or renovation of certain public property, specifically being improvements and additions to, and/or acquisition of, various public parks and other public recreation facilities located throughout the County; and to pay costs of issuance of the Certificates. The Park System raised the R.V. rental space rates and will use the funds formally designated for payment of the Refunding Bonds, Series 1996C, which final payment will be December 1, 2028, to pay the General Funds I & S Fund to make payments on these bonds.

Certificates of Obligation, Series 2007 in the amount of \$5,572,648 were refinanced with Refunding Series 2015 on March 31, 2015.

The annual requirements to amortize the Park System's portion of this Note outstanding as of September 30, 2020 including interest payments of \$749,591 are as follows:

B. Tax Notes

Cameron County issued \$5,570,000 Cameron County, Texas Tax Notes, Series 2020 dated February 1, 2020 for the purpose of providing for the payment of contractual obligations to be incurred in connection with the purchase of equipment, technology upgrades for County departments, vehicles, HVAC and cooling system improvements to County building, costs of issuing the Notes and payment of contractual obligations for professional services rendered in connection therewith. Payments are due semiannually on February 15<sup>th</sup> and August 15<sup>th</sup>, maturing on February 15, 2025 with interest rates of 5.00%. Proceeds received were \$6,096,346 with premium costs of \$646,858 and bond issuance cost of \$120,512. Cameron County Park System received proceeds of \$318,075 from this issuance.

The Notes are issued pursuant to the general laws of the state of Texas, Chapters 1371 and 1431, Texas Government Code and an order adopted by County Commissioners Court on January 7, 2020 and are direct obligations of the County, payable from the levy and collection of an ad valorem tax, within limits prescribed by law, on all taxable property in the County

**Note 4 - COMPENSATED ABSENCES**

The Cameron County Personnel Policy provides employees with vacation leave and non-vesting accumulating rights to sick pay benefits. The policy requires all employees to take vacation time prior to the end of each fiscal year; however, it allows vacation carryover for three months. Vacation pay is recognized as a part of salary compensation. Salary and wages earned, yet unpaid is recognized as accrued compensation time. Although sick leave does not vest and unused balances are not paid at the time of employee termination, current employees can accrue up to sixty days of paid sick leave. The System is reserving \$24,049 to recognize the earned, yet uncompensated leave accumulated as of fiscal year-end.

**Note 5 – CASH AND INVESTMENT**

**Custodial Credit Risk-Deposits:**

Park System deposits at year-end were covered either by Federal depository insurance or collateral held by the Cameron County Treasurer in the Park System's name. Cameron County adopted an investment policy in January 1997, which reinforces the County's investment practices of remaining in compliance with V.T.C.A, Title 10, Government Code, Section 2256.

**Concentration Risk:**

Cameron County has investments with Lone Star, an investment pool sponsored by the Texas Association of School Boards. It is policy that the County may not invest more than 65% of available cash with no more than 35% of available cash balances invested in any one investment pool. Due to interest rates these pools were not used other than minimum amounts to hold open the accounts.

As of September 30, 2020, the Park System's carrying amount of deposits and investments was \$14,029,316 and the bank balance was \$14,012,208.

NOTES TO THE FINANCIAL STATEMENTS  
SEPTEMBER 30, 2020

**Note 7 – NET PENSION LIABILITY**

Governmental Accounting Standards Board issued Statement No. 68 which are new reporting standards for public pension plans and participating employers which address specifics of reporting public pension plan obligations for employers. Net pension liability (NPL) for Cameron County was determined on an actuarial valuation as of the valuation date. The Park System recognized pension expense costs of \$64,103 as a result of this implementation.

**Note 8 – Other Post Employment Benefits -Medical**

Governmental Accounting Standards Board (GASB) issued Statement No. 74 & 75 in 2016 to improve accounting and financial reporting by state and local governments. These Statements substantially revised the accounting requirements previously mandated under GASB 43 and 45. In compliance with Statement 75, Cameron County has implemented these requirements during fiscal year 2018. GASB75 requires employers to recognize a liability for OPEB obligations, Net OPEB Liability, (Total OPEB Liability for unfunded plans) on the balance sheet financial statements. Changes in Net OPEB Liability are required to be recognized as OPEB Expense on the income statement or reported as deferred outflows/inflows of resources depending on the nature of the change. Benefits provided by Cameron County to retirees only includes medical benefits for which the retiree pays a monthly premium. This benefit is not available after retiree reaches the age of 65. Cameron County administers a single-employer defined benefit variety that covers employees, retirees and their spouses. The plan provisions allow members to retire upon attaining age 60 with 8 or more years of service or when the sum of their age and years of service equals 75 or more. Dependents of retirees who are not eligible for Medicare are also eligible for medical insurance coverage while retiree is alive. Effective 10/1/07, retirees are not eligible for medical benefits after age 65. Participants under disability are eligible for continued medical coverage under COBRA but must pay the full premium. Cameron County does not offer dental, vision, hearing or life insurance benefits to retirees. Cameron County does not pre-fund benefits. Benefits are paid directly from general assets on a pay-as-go basis and there is no trust for accumulating plan assets. Local Government Code Section 157.101 assigns the authority to establish and amend benefit provisions to Commissioner's Court.

**OPEB - MULTIPLE EMPLOYER DEFINED BENEFIT GROUP TERM PLAN  
 GROUP TERM LIFE FUND**

Cameron County participates in a cost-sharing multiple-employer defined-benefit group term life insurance plan operated by the Texas County & District Retirement System (TCDRS). This plan is referred to as the Group Term Life Fund (GTLF). The GTLF retiree death benefit paid from the Group Term Life (GTL) program is an OPEB benefit. This OPEB program is treated as an unfunded trust, because the GTL program covers both active and retirees and is not segregated. The TCDRS GTL program is an unfunded OPEB plan as the GTL fund does not meet the requirements of a trust fund under Paragraph 4b of GASB75, because the assets of GTL fund can be used to pay active GTL benefits which are not part of the OPEB plan. For GASB75 purposes the OPEB plan is not a cost sharing plan, so the annual benefit payments are treated as being equal to the employers actual retiree GTL contributions for the year.

**Additional Disclosures**

Texas Local Government Code, Chapter 175 requires counties make available continued health benefits coverage to retirees and their dependents beyond the end of an individual's employment with County. Texas Law does not require counties to fund all or any portion of such coverage. Effective October 1, 2007, Cameron County discontinued medical coverage after age 65. The County may incur a debt obligation to pay for OPEB for its retired employees so long as the County follows the constitutional requirement that it have sufficient taxing authority available at the time such debt is incurred to provide the payment of the debt and has levied a tax for such purpose. Inclusion of OPEB expense/expenditures, related liabilities (assets), note disclosures are intended to achieve compliance with the requirements of GASB75. Cameron County has not incurred a legal debt obligation for OPEB nor has it levied a tax for the same. Currently, the County funds costs associated with OPEB on a current "pay as you go" basis for each single year through annual appropriations authorized by Commissioners Court during the annual County Budget Adoption Process.

GASB 75 was implemented during fiscal year 2018. Information and amounts presented in the County's Comprehensive Annual Financial Report relative to OPEB expense/expenditures, related liabilities (assets), note disclosures, and supplementary information are only intended to achieve compliance with the requirements of generally accepted accounting principles (GASB 75) and does not constitute or imply that the County has made a commitment or is legally obligated to provide OPEB benefits.

**INDEPENDENT AUDITORS' REPORT ON  
INTERNAL CONTROL OVER FINANCIAL REPORTING AND  
ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT  
OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE  
WITH GOVERNMENT AUDITING STANDARDS**

To the Honorable County Judge and  
Commissioners' Court  
Cameron County, Texas

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the business-type activities of the Cameron County Park System, as of and for the year ended September 30, 2020, and the related notes to the financial statements, and have issued our report thereon dated March 29, 2021.

**Internal Control over Financial Reporting**

In planning and performing our audit of the financial statements, we considered the Cameron County Park System's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Cameron County Park System's internal control. Accordingly, we do not express an opinion on the effectiveness of the Cameron County Park System's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or, significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

**Compliance and Other Matters**

As part of obtaining reasonable assurance about whether the Cameron County Park System's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions

of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

#### **Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
