**COUNTY TEMPORARILY AND INTERMITTENTLY CLOSES
A PORTION OF STATE HIGHWAY 4**

On March 15, 2019, the Commissioners' Court approved an Order authorizing County Judge Eddie Treviño, Jr., to execute any and all necessary or appropriate notices or orders of temporary closure of State Highway 4 in connection with space flight activity, now or in the future.

Cameron County Judge Eddie Treviño, Jr., has ordered the temporary and intermittent closures of State Highway 4, near the entrance of Boca Chica Beach, due to activities.

"I have ordered the temporary and intermittent closures of a portion of State Hwy 4 for the purpose of protecting Public Health and Safety during SpaceX testing activities on May 6, 2022, in the time period between 5:00 a.m. C.S.T. to 10:00 a.m. C.S.T., of the same day. At appropriate intervals, the road will reopen to allow traffic to pass then reclose for the continuation of space flight activities. During these intermittent road closures, Boca Chica Beach will remain open to the public," Treviño stated.

SpaceX and law enforcement authorities will be coordinating to ensure that no individuals or vehicles are allowed access to these areas during these times of the day. Individuals who provide proof of residence will be allowed to proceed to their homes during testing. In case of an emergency, the necessary medical and/or law enforcement personnel will be allowed to circumvent the road closure.

If you have any questions or concerns please refer to the Cameron County website, www.cameroncountytexas.gov/spacex/.
