## **XII. PROCUREMENTS SUBJECT TO FEDERAL FUNDING**

**1201 Additional Standards.** *In addition to the procedures specified elsewhere in this Purchasing Manual, which are incorporated herein by reference, the County shall abide by the following purchasing procedures applicable to procurements that are subject to federal funding as referenced in 2 C.F.R. 200: Uniform Administrative Requirements, Cost Principles and Audit Requirements for Federal Awards (Uniform Guidance), which is hereby incorporated by reference. These procedures are in addition to all other relevant procedures in this Purchasing Manual, except that in the event of a conflict these procedures will control if a purchase is made using federal funds.*

**1202 Background.** *The United States Office of Management and Budget (OMB) Issued the Uniform Guidance, which reforms rules applicable to entities receiving federal grant funding by streamlining and superseding eight OMB circulars (A-21, A-87, A-122, A-110, A-102, A-133, A-50 and A-89). The new procurement standards are found in Subpart D: Post Federal Award Requirements: 2 CFR §200.317 through §200.327*

**12.03 Compliance Requirements — Procurement.** *The following is an overview of the procurement standards and procedures applicable when procuring property and services under a Federal award in accordance with 2 CFR §200.317 through §200.327, which are hereby incorporated by reference.*

**12.03.01** *The County, as a non—Federal entity other than a State, will follow §§ 200.318 General procurement standards through 200.327 Contract provisions. [See §200.317].*

**12.03.02 Procurement Procedures:** *The County will use its own documented procurement procedures, which reflect applicable State and local laws and regulations, provided that the procurements conform to applicable Federal statutes and the procurement requirements identified in 2 CFR part 200. [See §200.318(a)]. When preparing a federally funded contract, the County Purchasing Dept., Planning Dept., and County Attorney will review the required federal clauses in Appendix II and make sure that all clauses required for the contract is included.*

**12.03.03 Conflicts of Interest/Standards of Conduct:** *The County will maintain written standards of conduct covering conflicts of interest and governing the actions of its employees engaged in the selection, award and administration of contracts. In addition to the following, the County incorporates standards referenced above and Standards of Conduct in applicable County Personnel Manuals. [See §200.318(c)].*

*a. No employee, officer, or agent may participate in the selection, award, or administration of a contract supported by a Federal award if he or she has a real or apparent conflict of interest. Such a conflict of interest would arise when the employee, officer, or agent, any member of his or her immediate family, his or her partner, or an organization which employs or is about to employ any of the parties indicated herein, has a financial or other interest in or a tangible personal benefit from a firm considered for a contract. Addressed in County's Bids, RFP's, RFQ's (Attachment B – Non- Collusion Affidavit), (Attachment G – Conflict of Interest Questionnaire) Purchasing Manual (Ethics Policy) [See §200.318(c)(1)].*

*b. Officers, employees, and agents of the County may neither solicit nor accept gratuities, favors, or anything of monetary value from contractors or parties to subcontracts. However, the County may set standards for situations in which the financial interest is not substantial or the gift is an unsolicited item of nominal value. If this is done these standards will be promulgated like other County policies and procedures. Addressed in County's Bids, RFP's, RFQ's (Attachment B – Non- Collusion Affidavit), (Attachment G – Conflict of Interest Questionnaire, Attachment H – Disclosure of Interest Questionnaire) Purchasing Manual (Ethics Policy) [See §200.318(c)(1)].*

*c. If the County has an affiliate or subsidiary organization that is not a government entity, the County will also maintain written standards of conduct concerning organizational conflicts of interest arising from its relationship with the affiliate or subsidiary.*

*d. The County will disclose any potential conflicts of interest in writing to the Federal awarding agency or pass-through entity in accordance with applicable Federal awarding agency policy. [See 2 CFR §200.112]. Additionally, the County will disclose, in a timely manner, in writing to the Federal awarding agency or pass-through entity all violations of Federal criminal law involving fraud, bribery, or gratuity violations potentially affecting the Federal award. Further, if applicable, the County will make post-award reports as provided by Appendix XII to Part 200.*

e. Violations of this policy may result in disciplinary action consistent with County disciplinary policy, including but not limited to dismissal. Further, violations may be referred to the appropriate law enforcement agency for investigation and possible prosecution.

12.03.04 **Oversight:** Once the Contract is awarded, oversight must be maintained to ensure that contractors perform in accordance with the terms, conditions, and specifications of their contracts or purchase orders. County Contract Monitor will be utilized to track and perform quantity and quality control responsibilities in monitoring role towards compliance verification. [See §200.318(b)].

12.03.05 All proposed procurement actions shall be reviewed to avoid the purchase of unnecessary or duplicative items as stated in Independent Procedure IP "Prevention of Unnecessary and Duplicative Purchases".

Where applicable, consideration will be given to consolidating or breaking out procurements to obtain a more economical purchase. Review of all potentially related consolidation in sourcing of items towards economy of scale.

Where appropriate, an analysis will be made of lease versus purchase alternatives, and any other appropriate analysis to determine the most economical approach. County will consider leasing of items whenever determined to be more cost effective versus purchase of items which are not necessarily required beyond the immediate or project related intended use. [See §200.318(d)]

12.03.06 The County may enter into state and local intergovernmental agreements or inter-entity agreements where appropriate for procurement or use of common or shared goods and services. County will explore Interlocal agreement options with other entities towards sharing of goods and services in an effort to reduce overall cost. The County also adopted Resolution 2019R2007 on February 5, 2019. [See §200.318(e)]

12.03.07 Federal excess and surplus property may be used in lieu of purchasing new equipment and property whenever such use is feasible and reduces project costs. State and Federal Surplus sites will be reviewed for potential adaptations to meet project needs. [See §200.318(f)]

12.03.08 *Deliberately omitted*

12.03.0 Contracts should be awarded only to responsible contractors possessing the ability to perform successfully under the terms and conditions of a proposed procurement. Consideration will be given to such matters as contractor integrity, compliance with public policy, record of past performance, and financial and technical resources, as well as whether the contractor is suspended or debarred from receiving federal funds. (See Bids, RFP's, RFQ's Attachment F – Certificate Regarding Debarment, Suspension, Ineligibility, Attachment F-2 – Sworn Statement of Debarment, Attachment F-3 – Architects, Engineers, Construction Performance, Attachment I – House Bill 89 Verification, Texas Ethics Commission Form 1295) [See §200.318(h)].

(Official Records Manager for the County) - Purchasing Bids, RFP's, RFQ's, and contracts is five (5) years (in accordance with §200.318(i)).

12.03.1 The County may not enter a contract with time and materials based pricing unless there is a not-to-exceed clause and the Purchaser determines that other fee structures are not suitable.

12.03.1 The County alone shall be responsible for all contractual and administrative issues arising out of procurements in accordance with good administrative practice and sound business judgment. County Civil Legal Division will coordinate these matters as they arise. County protest procedures apply to Bids, RFP's, RFQ's and written quotations. Once a contract has been executed, any disputes are dealt with at the time they arise. County Civil Legal Department addresses contract disputes on behalf of the County.
