Garfield of the U.S. Small Business Administration’s Disaster Field Operations Center-West today reminded Texas businesses and residents of the July 24 deadline to apply for an SBA federal disaster loan for property damage caused by the severe storms and a tornado in Cameron County that occurred May 13.

According to Garfield, businesses of all sizes, most private nonprofit organizations, homeowners and renters may apply for SBA federal disaster loans to repair or replace disaster damaged property. Businesses of all sizes and private nonprofit organizations may borrow up to \$2 million to repair or replace damaged or destroyed real estate, machinery and equipment, inventory and other business assets.

Economic injury assistance is available regardless of whether the business suffered any property damage. The deadline to apply for an SBA economic injury disaster loan is Feb. 26, 2024.
