NOTICE REGARDING TEMPORARY CLOSURE OF THE ISLA
BLANCA PARK BOAT RAMP

The Cameron County Parks and Recreation Department would like to announce the temporary closure of the Isla Blanca Park Boat Ramp Facility on Saturday, June 3, 2023. This includes the parking lot and restrooms directly associated with this area. The decision to close this amenity is for safety reasons due to high pedestrian traffic during the event scheduled at the Amphitheater on this date. All public access in the boat ramp area will re-open immediately the following day after the event. We sincerely hope boaters can understand the decision for the temporary closure.

To help inform boaters looking for an alternate place to launch during this time, we have included a list of Public Boat Ramps located in the proximity of the Laguna Madre Area. Below are the addresses for each individual boat ramp. We thank you for your patience and your patronage.
