➤ **Please find response to request for questions/clarifications submitted by participants during the pre-proposal meeting on October 9, 2024.**

1. We would like to be given first right of refusal on any other property owned by Cameron since we will need parking for trucks close by and would like to be considered and given priority if this proposal is successful.

ANSWER: No, the County can't give them first right of refusal on other County property. The County must follow State laws regarding leasing of land.

2. Would like to request that Bridge and or county place “no smoking” signs in area.

ANSWER: An agenda will be presented to Cameron County Commissioners’ Court to adopt a “No-smoking” policy.

3. It is difficult to insure other trucks that are not owned by this company since EO Velasquez Investments LLC is not a transport company. Insurance will be difficult to get. Therefore, on number 3 we are having issues insuring hired and non-hired. We ask that this be changed to “any transport that comes into area have required coverage themselves”. We will be happy to ask them for proof and provide it to you and are willing to be periodically audited on this matter.

ANSWER: Lease will be required to comply with Federal/State/Local required general liability insurance and any other required licenses and/or permits.
