Helpful Online Reservation Tips:

- Making a reservation is as simple as selecting a park and entering the date range for your stay, RV type and length, then selecting "Show Availability". The park's map will then populate with the available sites for the selected dates. Once you choose your site, you will be prompted to enter required fields of information followed by an option to secure your reservation with payment. When finished, a transaction receipt will be sent to the email you've provided.
- For guests who already know what site they want, simply click on the specific site. If the site is available, the site will populate on the parks map for selection. Follow the prompts to complete your reservation (see instructions above).

- Please note that the online reservation system DOES NOT offer weekly and/or daily reservations during **January** and **February**. Online reservations for these months are strictly limited to monthly (complete month or multiple month) reservations. Any online reservations failing to meet this provision will be declined by the system.
- For guests reserving a month or longer, it is important to note that the system will only apply the monthly rate if the arrival “date” and check-out “date” are the same. For example: December 3rd thru January 3rd for one month, or January 9th through March 9th for two months, etc. Reservations not matching this format will be billed at a higher rate if applicable.
- Monthly reservations require payment in full for the entire month. Multiple month reservations require payment in full for the first month only. Daily and weekly reservations require payment in full for the entire stay.

We sincerely appreciate your patronage and hope you enjoy your stay at Adolph Thoma Jr. County Park.

Thank you,
